Traditional Dance Learning Program for Third-country Nationals.

The Municipality of Athienou, in collaboration with the Municipality of Larnaca and the European Funds Unit of the Cyprus Ministry of Interior, announces the launch of the "Open Society Program" and the implementation of the action "Teaching traditional dances to third-country nationals".

The aim of the Program is to integrate third country nationals as smoothly and as fully as possible into the local society, familiarize them with the local customs and, in general, facilitate their living conditions and their integration into the Cyprus society.

Within the framework of this Program, traditional dance classes will be organized in Athienou, at a place and time agreed with the interested people.

There will be at least 20 lessons of 1,5 hours each. The lessons will be offered free of charge to all ages.

To express their interest and for more information, interested people can contact the offices of the Municipality of Athienou at **24811370** or **24524004**, until **5 February 2020**.
